WHAT TYPE OF INFORMATION DO WE COLLECT

We receive, collect, and store any information you enter on our website, app, and product servers, app, and product servers or provide us in any other way while using our website, app, and product servers, app, and product servers. In addition, we collect the Internet protocol (IP) address used to connect your computer to the Internet; login; e-mail address; password; computer and connection information, cart history, directional and selection-based trends and purchase history. We may use software tools to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page. We also collect personally identifiable information (including name, email, password, communications); payment details (including credit card information), comments, feedback, product reviews, recommendations, and personal profile.

WHY WE COLLECT SUCH PERSONAL INFORMATION

We collect such Non-personal and Personal Information for the following purposes:

1. To provide and operate the Services and Products that we offer;
2. To provide our Users with ongoing customer assistance and technical support;
3. To be able to contact our Visitors and Users with general or personalized service-related notices, product-related notices, general communication and marketing or promotional messages;
4. To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which we or our business partners may use to provide and improve our respective services;
5. To comply with any applicable laws and regulations per relevant governing bodies (local, state, regional, and federal) to the best of our abilities.

HOW DO WE COLLECT INFORMATION

When you visit our website, app, and product servers, app, and product servers & conduct a transaction on our website, app, and product servers, app, and product servers, as part of the process, we collect personal information that you give us such as your name, address and email address.

HOW WE STORE, USE, SHARE AND DISCLOSE YOUR PERSONAL INFO

Our company is hosted on the private platform. Our private platform provides us with the online store and website system (and corresponding third-party applications) that allows us to sell our products and services to you. Your data may be stored through our website, app, and product servers, app, and product servers data storage, databases and general website servers or logs, app, and product server applications. They store your data on secure servers behind a firewall and are third-party owned and operated. All direct payment gateways offered by our website, app, and product servers, app, and product servers host and used by our company adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.

HOW WE COMMUNICATE WITH YOU

We may contact you to notify you regarding your account, to troubleshoot problems with your account, to resolve a dispute, to collect fees or monies owed, to poll your opinions through surveys or questionnaires, to send updates about our company, your order, or your inquiry, or as otherwise necessary to contact you to enforce our User Agreement, applicable national laws, and any agreement we may have with you. For these purposes we may contact you via email, telephone, text messages, and postal mail.

HOW WE USE COOKIES AND OTHER TRACKING TOOLS

Our website, app, and product servers, app, and product servers uses tools to track personal information through the use of 'cookies'. We use regular cookies, flash cookies, web beacons, etc., to track such information. This includes any above reference personal information as well as demographic information as specific as an individual household income via Google. We also use Google Analytics and other tools to track & analyze website, app, and product servers, app, and product servers traffic and actions.

HOW CAN YOU WITHDRAW YOUR CONSENT OF THESE USAGES/ACTIONS

If you don't want us to process your data anymore, please contact us at support@RadixHunting.com or send us a letter to our address on file with your personal information and a signed letter stating that you wish for us to remove such data and furthermore stop collecting it.

PRIVACY POLICY UPDATES

We reserve the right to modify this privacy policy at any time, so please review it frequently. Changes and clarifications will take effect immediately upon their posting on the website, app, and product servers, app, and product servers. If we make material changes to this policy, we will notify you here that it has been updated, so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we use and/or disclose it.
